

### Constipation Makes You Tired, Nervous, Sick

A Wineglassful of Tollo Water Will  
Quickly Remove Poison From  
Your Stomach and Bowels  
and Make You Feel Fine  
in Half an Hour.

No use being constipated, tired,  
nervous and sick—Tollo Water  
from Dawson Springs, Kentucky,  
is nature's own system cleanser.  
Its action is quick and gentle, yet  
it cleans the system and thirty  
feet of intestines more thorough-  
ly than can be done by drugs and  
oils.

Don't allow the waste from  
your food to lie in your stomach  
and bowels to decay and poison  
your system, causing headache,  
bilious spells, bad breath, pimples,  
nervousness and indigestion, but  
get a 15-cent bottle of Tollo  
Water from the drug store and  
take a third of a tumblerful in a  
glass of plain water before break-  
fast. It will keep your bowels as  
regular as a clock and make you  
enjoy your meals as you did when  
you were a child and got plenty  
of exercise.

After you have taken it for a  
few days and thoroughly cleaned  
the system, an occasional wine-  
glassful will keep your bowels  
regular and make you feel good  
all the time.

Sold by People's Drug Stores.

### Normal Abnormal A BISECTED BALL OF THE FOOT

Note the lowering of the bones,  
which press and interfere with  
nature's functions, causing ex-  
cruciating shooting pains, cal-  
luses, sudden cramping, indigestion,  
aching, fever, swelling, supposed  
rheumatism and neuritis. To  
overcome this it is necessary to  
strengthen the muscles, restore  
the ligaments and return to cor-  
rect alignment the abnormal arch.

### GEORGES (ADJUSTABLE) ANTERIOR METATARSAL ARCH SUPPORT

will positively prove the most ef-  
fective for the most chronic con-  
dition. The anatomical principle  
is based on the result of much  
experimenting and tests. Not a  
complex, intricate mass of heavy,  
burdensome metal, but a logical,  
intelligible device, light in weight,  
unnoticeable and comfortable in  
any shoe.

If you suffer this annoyance  
call for consultation.

### Are You Tied Up Indoors?

If so, your whole system  
naturally gets tied up too.  
A lazy liver and consti-  
pated bowels are bad  
things, dangerous things.  
Exercise as much as you  
can—but keep your liver  
and bowels up to the  
mark all the time.

Take one pill regularly  
—until you are sure you  
are all right again.

### STUDY THE EFFECTS OF PAPER MOVEMENTS

Trade Commission Looking Into Pos-  
sible Results of Action of Fed-  
eral Grand Jury.

What action the federal trade com-  
mission may take, in view of the in-  
dictment of news print paper manu-  
facturers in New York yesterday by a  
federal grand jury on charges of anti-  
trust law violations, is under consid-  
eration by the commission today. Con-  
cern is felt over the possible effect of  
the jury's action on the plan proposed  
by manufacturers under which the  
trade commission would fix paper  
prices.

Some publishers are hopeful the price-  
fixing plan still may be put through  
and that prosecutions will not be pushed  
if the manufacturers evince a will-  
ingness to observe strictly the law in  
the future.

The manufacturers, it is understood,  
have threatened to withdraw from the  
price-fixing agreement if indictments  
came from the investigation by the De-  
partment of Justice.

No Inducements of Immunity.

Their proposal was made to the trade  
commission after the commission had  
turned over to the Justice Department  
evidence it had gathered pointing to  
violations of the law by the manu-  
facturers in setting high prices under an  
alleged combination.

Officers of both the Justice Department  
and the trade commission have de-  
clared no inducements of immunity  
will be given to the manufacturers as a  
reward for their offering to put the  
marketing of their product into the  
hands of the trade commission at prices  
to be set by the commission.

Publishers, it is said, have divided in  
their attitude in the Department of  
Justice. Some have insisted, it is said,  
that indictments be brought and that the  
prosecution be prosecuted, believing no  
price-fixing plan would offer permanent  
relief for prohibitive prices and that the  
only sure remedy would be a prosecution  
that would break up the alleged news-  
print trust. Others—and it is said a  
part of the membership of the trade  
commission concurred in the view—  
have held that the price-fixing plan ad-  
vanced by the manufacturers would  
solve all difficulties and that evidence  
had not been produced to obtain con-  
victions.

### CONFEDERATE VETERANS TO PARADE HERE JUNE 7

Big Feature of Reunion Set for  
Thursday of Week "Johnnies"  
Will Visit City.

The parade, which is to be the big  
feature of the reunion of Confederate  
Veterans in this city the week of June 4,  
is to be held on Thursday, June 7,  
according to a decision which has been  
reached by those arranging for the  
great gathering of the "boys in gray."  
Business sessions will be held Monday,  
Tuesday and Wednesday of that week.

H. F. Cary, chairman of the com-  
mittee which is raising the money  
needed to defray the expenses of the  
reunion, reports that contributions are  
being received every day with regu-  
larity. The plan to hold the reunion  
outside of the limits of the late Con-  
federate states is being commended.  
Mr. Cary reports, "Colonel" James  
Tanner, registrar of wills of the District  
of Columbia, and well known in G.  
A. R. circles, in making a contribution to  
the fund, wrote:

"Johnnies" Will Be Welcome.

"With considerable knowledge there-  
of, for I am venturing to speak for a  
very considerable portion of the  
Grand Army of the Republic, I would  
say that we shall cordially welcome all  
the old Johnnies who can come to  
Washington. We shall be more glad to  
see them marching along Pennsylvania  
avenue in the near future than we  
would have been to have seen them,  
armed and equipped, make the same  
march during the sixties."

"I personally know that for quite a  
number of years past many of the men  
who wore the gray have come to re-  
alize, considering the power and pros-  
perity of this nation, that it was well  
for every section of the country that  
our internal strife ended as it did at  
Appomattox. I have always consid-  
ered that one of the things the veterans  
of the blue have a right to be mightily  
proud of is the fact that the survivors  
of our old-time foes, their children  
and their grandchildren, are co-equal  
heirs with us of the blue, and in all the  
glory and prosperity of the rejuvenated  
and cemented union."

Additional Funds.

MR. BRYAN BACKS PRESIDENT.

Indorses Without Qualification Plans  
for Prosecuting War.

COLUMBUS, Ohio, April 13.—Unquali-  
fied indorsement of President Wilson in  
his war plans was given yesterday by  
William J. Bryan, pacifist, in an ad-  
dress at the convention of the Demo-  
cratic Dry Federation of Ohio.

Great impetus will be added to the  
prohibition cause by the present war.  
Mr. Bryan declared for the reason that  
the question faced by the country will  
be whether products suitable for food-  
stuffs shall be used as food or con-  
verted into liquor, with the effect of  
lessening the capacity of civilians and  
soldiers.
